

RECONSIDERING Social

Determinants

The BC Gay Men's Health Summit 2012 is organized by the Community-Based Research Centre (CBRC), in collaboration with the BC Centre for Disease Control.

Funding is provided by AIDS Community Action Program (ACAP), Public Health Agency of Canada (PHAC); Province of British Columbia; BC Ministry of Health; and community donations.

Our new website www.cbrc.net has the latest news and views on gay men's health.
